The politics of physical activity / Joe Piggin

Piggin, Joe

Routledge. London - 2019

Defining ‘politics’ as contests over ideas, values and visions about what a physically active society could be, this book uses critical analysis to challenge accepted truths about physical activity and therefore opens up a pathway...

Physical literacy across the world / ed. by Margaret Whitehead

Whitehead, Margaret

Routledge - 2019

"Physical literacy across the world" records the progress of the concept of physical literacy over the last decade. It examines developments, issues and controversies in physical literacy studies, and looks at how the concept has ...

Routledge handbook of physical activity and practice / ed. by Joe Piggin... [et al.]

Piggin, Joe

Routledge. London - 2018

Physical activity, inactivity and their relationship to health are serious concerns for governments around the world. This is the first book to critically examine the policy and practice of physical activity from a multi-disciplin...
Sport and health: exploring the current state of play / ed. by Daniel Parnell... [et al.]

Parnell, Daniel

Routledge. London - 2018

It is a common assumption that sport is good for us and that participation in sport embodies public health benefits. With sport being increasingly used to deliver public health interventions worldwide, this book critically examine...
