The Olympic Games are a sporting event guided by philosophy. The modern Olympic Charter calls this philosophy “Olympism” and boldly states its goal as nothing less than “the harmonious development of humankind” and the promotion of...
Pierre de Coubertin's Olympic idea as an educational challenge for the worldwide Olympic Movement: a historical review and systematic analysis of Olympic education programmes for schools by host cities...

Nikolaus, Ines | Comité international Pierre de Coubertin
CIPC. Lausanne - 2017

For the first time, a systematic examination of Olympic education programmes for schools during the period 1976-2014, developed by hosts of Olympic Games as well as three exemplary example for international programmes, are documented...

Olympic studies / ed. by Vassil Girginov
Girginov, Vassil

Edited and introduced by Vassil Girginov, this new four-volume collection from Routledge brings together key primary-source materials and the very best scholarship and commentary to elucidate and explore the evolution and interpretation...

Olympism for the twenty-first century / Jim Parry
Parry, Jim
2015

This chapter provides an overview of Jim Parry's arguments about Olympism. Parry attempts to make principled judgements on ethical issues through Olympic values. Taking the perspective of "philosophical anthropology", his reflection...
Olympism, olympic education and learning legacies / ed. by Dikaia Chatziefstathiou and Norbert Müller

Chatziefstathiou, Dikaia | Müller, Norbert

Cambridge Scholars Publishing. Newcastle upon Tyne - 2014

This book is largely a collection of the papers presented at the symposium "Olympism, Olympic Education and Learning Legacies", organised by the Comité International Pierre de Coubertin (CIPC). It was held during the London 2012 O...

Discourses of Olympism : from the Sorbonne 1894 to London 2012 / Dikaia Chatziefstathiou, Ian P. Henry

Chatziefstathiou, Dikaia | Henry, Ian P

Palgrave Macmillan - 2012

Most of what has been written in relation to the modern Olympic Movement has focused on the Games or more recently on the failings (both in terms of ethics and more practically of governance) of those operating within the Olympic ...

Paradoxes and contestations of Olympism in the history of the modern Olympic Movement / Dikaia Chatziefstathiou

Chatziefstathiou, Dikaia

2011

The ideology of Olympism has long been criticized for being inherently contradictory, its call for universal ideals and equal opportunities for all people and all nations belied by the exclusionary, elitist and racist nature of it...
Olympism: a learning philosophy for physical education and youth sport / Dikaia Chatziefstathiou
Chatziefstathiou, Dikaia
2011
Dikaia Chatziefstathiou takes us to Greece and other parts of the world as she explores the development of Olympism as an education sport philosophy and considers its potential to inspire young leaders in physical education and yo...

East to Olympia: recentering Olympic philosophy between East and West = Heather Reid
Reid, Heather Lynne (1963-)
2010
By re-examining the language of Olympism in light of some Eastern ideas about metaphysics, ethics, politics, and even philosophy itself, the author recasts Olympic philosophy in a new ecumenical light.

The Olympic values / Steven Maass
Maass, Steven
2007
Steven Maass examines how the Olympic Movement defines its core values of Excellence, Friendship and Respect and how these values underpin all of its activities today.

Toward a definition of Olympism / Jeffrey Owen Segrave
Segrave, Jeffrey Owen
1988
"The Olympic Games are the most powerful expression of international sport. That they are ultimately only an expression of a deeply profound belief in the education value of sport is perhaps less known. But for Pierre de Coubertin..."
A never-ending story: the philosophical controversy over Olympism / Lamartine DaCosta
Costa, Lamartine Pereira da
2012
In this article, Lamartine DaCosta reflects on the difficulty of defining Olympism from a philosophical point of view. In his view, when reviewing the history of philosophical accounts of Olympism, two things stand out: first, the...
