Olympism: from Coubertin to the present day / The Olympic Studies Centre

The Olympic Studies Centre
The Olympic Studies Centre - 2022

The aim of this document, which comprises four different chapters, is to provide an understanding of what the concept of modern Olympism entails. The first chapter describes how Coubertin envisaged Olympism and how he outlined his...

Le rétablissement des Jeux Olympiques: discours fondateur = Restoring the Olympic Games: founding speech / Comité International Olympique

International Olympic Committee
Comité International Olympique - 2020

When Pierre de Coubertin, at the age of 29, first outlined his vision for restoring the Olympic Games on 25 November 1892 at the Sorbonne University in Paris, he laid the philosophical foundations for the International Olympic Com...

Education and Olympism: Coubertin's unfinished symphony / Irena Martínková

Martínková, Irena
2018

This paper draws upon Coubertin's unfinished memoir "The Unfinished Symphony" and develops further the ideas on education and Olympism that he began to write in 1936, one year before his death.
On the occasion of Pierre de Coubertin's (1863-1937) 150th anniversary, the International Pierre de Coubertin Committee (CIPC) organized a symposium in collaboration with The Olympic Museum Lausanne in January 2014. The symposium...
