Mr President, Distinguished Members of the International Olympic Committee,

I have the honour to extend to the International Olympic Committee a most cordial invitation to celebrate the XV Olympic Winter Games in our country.

Needless to say we will be deeply honoured by the privilege of hosting these Games should the IOC so decide. I want to assure you that all those who will be entrusted to carry responsibility for the organization and the administration of the sport events will be well qualified to make the Games a success for the competitors, the officials and the big crowds of spectators.

Sweden has taken active part in all Olympic Games and Olympic Winter Games from their very beginning. I therefore hope you share my view that Sweden has well deserved the honour of hosting the Olympic Winter Games in 1988.

Yours Sincerely

Thorbjörn Fälldin
Prime Minister

Dear Sirs,

Following the Swedish Olympic Committee's preliminary announcement in November 1980 the City of Falun has now the great honour to announce its candidature to host the XVth Winter Olympic Games in 1988 in accordance with the IOC rules. The letter of approval from the Swedish government will be sent separately.

The City of Falun is fully prepared to meet this great challenge and it is looking forward not only to future contacts with the IOC before the final decision will be made in Baden-Baden in September 1981, but also to a possible thrilling challenge to organize Olympic Winter Games in a nordic atmosphere of winter sports.

Very truly Yours,
For the City of Falun
